

Stella Crinita Barbera 2022

This hand harvested, single vineyard wine is 100% Barbera from the Demeter certified biodynamic estate vineyard in the Vista Flores region of the Uco Valley. Notes of blackberries and boysenberries wrapped in rose petals, violets, and tobacco lift up out to the nose. This leads into layers of ripe cherries and blackberries mixed with coriander, cardamon, and mushrooms on the palate and soft, plush tannins with medium acidity holding up the

backbone. A long finish persists with dark fruit and qualities.
