

Viño de los Vientos Estival 2018

This wine is a blend of 60% Gewurtztraminer, 30% Chardonnay, and 10% Moscato Bianco from the estate vineyard. The nose is actually more subdued than I would think having such aromatic grapes but still has ripe notes of lemon zest, white peach, and green apple all woven together with white flowers, baking flour, and yellow chartreuse. The palate shows medium viscosity with crisp acidity and the wine finishes with notes of candied peach and fresh sliced lemons.
