

Bodega Pablo Fallabrino Estival 2020

This wine is a blend of 60% Gewurtztraminer, 30% Chardonnay, and 10% Moscato Bianco from the estate vineyard. The nose is actually more subdued than I would think having such aromatic grapes but still has ripe notes of lemon zest, white peach, and green apple all woven together with white flowers, baking flour, and yellow chartreuse. The palate shows medium viscosity with crisp acidity and the wine finishes with notes of candied peach and fresh sliced lemons.

Bodega Pablo Fallabrino is located 4 km's from the Atlantic Ocean in Atlantida Uruguay, a sub region of Canelones, one of the coolest growing regions in Uruguay. Pablo Fallabrino is the owner, grower and winemaker of Bodega Pablo Fallabrino and he lives on the estate. His grandfather, Angelo Fallabrino immigrated to Uruguay in 1920 from Piedmont and planted 5 vineyards and started 2 wineries in the 1930's. Pablo studied with both his father and grandfather and eventually started the current, single vineyard estate in 1997 where they currently have 12 hectares under vine on their 30 hectare estate. Bodega Pablo Fallabrino produces mostly Piedmontese varietals in addition to Tannat and their wines typically show an old world, nuanced style which we tend to gravitate towards. Pablo is also an avid surfer.
