Colectivo Mutante Invasion Pinot Noir 2023

NEW!!

Colectivo Mutante is a small project formed by Diego Edwards and Cedric Nicolle in 2016. They work with a grower from the Limari valley that farms and sells Pedro Ximenez grapes for Pisco production. Diego and Cedric thought that a particular 1 hectare parcel had potential for making high quality wine because of it's calcareous soil and proximity to the coast, so they decided to try their hand at making dry, still PX. Some of Chile's most highly regarded Pedro Ximenez comes from the north where the arid desert is situated next to the Pacific Ocean. They currently make about 500 cases a year, and this small project is primarily motivated by passion for and enjoyment in life. Diego owns and operates a small wine import and distribution company based in Santiago and they represent some of our favorite wines from Europe. Diego is also an avid outdoorsman and snowboarder.
