

# Galáctica Cabernet Sauvignon 2024

This Cabernet Sauvignon comes from vineyards in the Valle Central of Chile. The wine shows notes of dark cherry, plums, and rhubarb with hints of cigar box, clove, eucalyptus, and leather. Undertones of blackberry, dark chocolate, ripe currants, and baking spices come through on the finish. The oak is well integrated and leads to a fruit driven wine held tight with soft, fine grained tannins.

Vintage: 2024  
Varietal: 85% Cabernet Sauvignon, 15% Syrah  
Case Production 12 pack: 20,000  
Alcohol Content: 13%  
Region / Location: Valle Central  
Vineyard: La Constancia,  
Planted:  
Altitude: 985 FASL  
Farming Practices: Certified Sustainable  
Soil Type: Granitic and Alluvial soils  
Trellis System: VSP  
Yield: 4 tons/acre  
Stem Inclusion: 100% De-Stemmed  
Yeast: Selected  
Winemaker: Galáctica  
Élevage: Neutral 225L French oak and Stainless Steel tanks for 6 months  
Lees Contact:  
Filtration Method: Light CrossFlow Filtration  
Maceration / Fermentation: Cool fermentation in Stainless Steel tanks and then into 225L Neutral barrel  
UPC Code: 837571001927

# Galáctica

The Galactica wines are made by the winemaking team of Ricardo Baettig and Daniela Salinas with fruit from a blend of both estate and sourced vineyards. The wines come from cool microclimates within Chile which benefit from having large diurnal shifts in temperature and silty, granitic soil. The Sauvignon Blanc is from two different vineyards and is fermented and aged in stainless steel. The Cabernet Sauvignon is from 4 different vineyards and aged in neutral oak barrels and stainless steel. We believe that the Galactica bottlings offer great value and classic varietal and regional typicity.
