Gen Del Alma Jijiji Chenin Blanc 2020

This hand harvested, single vineyard wine is 100% Chenin Blanc from Tunuyan within the Uco Valley. The nose has multiple layers with notes of orange blossom, daffodil, lemon, quince, cardamon, apricot, and wax bean that leads into a racy and vibrant palette with generous acidity. Grapefruit, green apple, and lemon shine with a touch of salinity that leads to a fresh, bright finish.

Vintage: 2020

Varietal: Chenin Blanc 100% Case Production 12 pack: 1300

Alcohol Content: 12.5%

Region / Location: Villa Seca, Tunuyan, Uco Valley

Vineyard: Villa Seca,

Planted: 1970 Altitude: 3,300 ft

Yeast: Native

Winemaker: Gen del Alma

Élevage: none Lees Contact:

Filtration Method: Lightly Filtered Maceration / Fermentation: 20 days,

UPC Code: 813495012041

Gen del Alma began in 2011 when five wine loving friends planted a 7 hectare vineyard in Gualtallary at 1400 meters above sea level on alluvial soil composed of calcium carbonate and granite. The group began making wine in a small winery built in 1952 in the town of Tupungato where they work with concrete vats, eggs and amphora made from local sand and stone. The wines are made by Belen Sanchez and the vineyard is farmed by Matias Prieto. We currently import two different cuvees. One is an unfiltered Chenin Blanc from Villa Seca, Tunuyan. The other is a carbonic maceration blend of Pinot Noir and Malbec that comes from the estate vineyard in Gualtallary. These two wines are fun, bright and fresh and show a lighter style of Argentina that we are fond of.
