

Montsecano La Leonie 2019

This 100% Chardonnay comes from a single vineyard named “Refugio” in the Casablanca Valley. The nose is vibrant with hints of orange blossoms, ripe white peaches, grilled pineapple, and toasted hazelnut. Baked apricots and honeydew melon dance on a medium bodied palate with a light but creamy finish. A very layered wine with rich fruit and hints of bakers yeast.

Vintage: 2019
Varietal: 100% Chardonnay
Case Production 12 pack: 250
Alcohol Content: 14%
Region / Location: Casablanca
Vineyard: Refugio,

Élevage: 10 months in concrete egg
Lees Contact:
Filtration Method: Unfiltered
Maceration / Fermentation:
UPC Code: 7804635970034

MONTSECANO

Julio Donoso and Andre Ostertag started Montsecano in 2005. They planted 4 hectares of Pinot Noir in las Dichas, Casablanca and built a small winery and cellar on the property. The vineyard is biodynamically farmed and is plowed by horse. The subterranean, geothermal winery is shaped like an egg, and they vinify exclusively with concrete egg and steel tank. Many believe that they produce two of the most highly regarded expressions of Pinot Noir in all of Chile. Julio and Andre incorporate a philosophical aspect that goes deeper than the vine and the energy is manifested on the property and in the bottle.
