Pielihueso Blanco 2021

Delicious!

Pielihueso. Spanish for "skin and bones", this estate began in 2017 when father/daughter combo Celina and Alejandro Bartolome planted vines in Los Chacayes and Los Sauces (both subregions of the Uco Valley located within Tunuyan). The wines are all farmed organically and made with no corrections, fermented with native yeast and a low addition of sulfur is added just before bottling. Alejandro comes from a long background in organic farming and this is the family's first foray into wine. The labels were created by the family too! Carmela, the other daughter designed the labels from their brother's artwork. The wineries style is making light, bright, clean and vibrant wines!
