Prisma Pinot Noir 2021

This hand-harvested, 100% Pinot Noir is blend of four clones produced from a single vineyard located in the Casablanca Valley. The granite soils and cool, coastal climate produce a fresh, vibrant and aromatic wine. It shows bright red fruit notes of strawberry and cherry, with an underlying hint of oak, that leads to a lifted mid-palate and smooth, velvety finish.

Vintage: 2021

Varietal: 100% Pinot Noir

Case Production 12 pack: 12,000

Alcohol Content: 13.50% Region / Location: Casablanca

Vineyard: Fundo Belén, Planted: Planted in 2004

Altitude: 600 feet

Farming Practices: Sustainable

Yield: 4 tons/acre Stem Inclusion: None Yeast: Selected Winemaker: Prisma

Élevage: 8 months in multiple size French oak barrels

Lees Contact:

Filtration Method: Light Cartridge filter

Maceration / Fermentation: Cold maceration in stainless

steel, oak fermentation UPC Code: 837571004447

PRISMA

The Prisma wines are made by Ricardo Baettig with estate fruit from the Lo Ovalle subregion of the Casablanca Valley. This coastal microclimate benefits from fog, large diurnal shifts in temperature, and its clay and granitic soil. Both the vineyard and the winery are certified sustainable. The Sauvignon Blanc comes from two different vineyards and is fermented and aged in stainless steel. The Pinot Noir is from 3 different clones that come from multiple blocks with different orientations from a single hillside vineyard. We believe that the Prisma bottlings offer great value and classic typicity.
