

Prisma Sauvignon Blanc 2023

This hand-harvested, un-oaked, 100% Sauvignon Blanc is produced from a blend of two Casablanca Valley vineyards: Belén and El Principal. The sandy, clay soils and cool, coastal climate contribute to a bright, fresh character in the wine. Passionate Fruit and Mango jump out of the glass with underlying citrus notes of lemon, lime, and grapefruit, combined with a mineral undertone lead to a crisp, elegant, and well-balanced finish.

PRISMA

The Prisma wines are made by Ricardo Baettig with estate fruit from the Lo Ovalle subregion of the Casablanca Valley. This coastal microclimate benefits from fog, large diurnal shifts in temperature, and its clay and granitic soil. Both the vineyard and the winery are certified sustainable. The Sauvignon Blanc comes from two different vineyards and is fermented and aged in stainless steel. The Pinot Noir is from 3 different clones that come from multiple blocks with different orientations from a single hillside vineyard. We believe that the Prisma bottlings offer great value and classic typicity.
