Rogue Vine Jamon Jamon 2021

This 100% skin fermented Moscatel is from Guarilihue region of Itata. The nose shows orange peel, white flowers, peach, and orange blossom with savory undertones of sage and toasted almonds. The palate shows notes of guince and marzipan with honeysuckle and a hint of black pepper spice. The finish is held long by the bright acid of the wine.

Vintage: 2021 Varietal: Moscatel

Case Production 12 pack: 1000

Alcohol Content: 12.5%

Region / Location: Guarilihue, Itata

Vineyard: Palma, Planted: 1960 Altitude: 820ft

Yeast: Native

Winemaker: Rogue Vine

Élevage: Old Barrique and concrete Orbs

Lees Contact:

Filtration Method: Unfiltered and Unfined Maceration / Fermentation: 7 weeks

UPC Code:

POGUE VINE

Leo Erazo and Justin Decker started Rogue Vine in 2011 in a one-car garage in Concepcion, Chile. This duo met while teaching at the University of Concepcion. At Rogue Vine, they make wines from the Nipas and Guarilihue subregions of the Itata Valley. All the vineyards are composed of hillside, dryfarmed bush-vines that are a minimum of 60 years old, with some over 100 years old. The soils are primarily comprised of decomposed granite with a mix of clay and quartz. The winemaking is simple and employs native yeast, concrete globes, old barrels, no corrections, with minimal or no sulfur prior to bottling. Itata Valley's viticulture is primarily practiced through horse plowing and hand farming. Part of Rogue Vine's focus is to promote the rich culture and history of this long neglected and rural farming community. Leo is also the winemaker for Altos Las Hormigas in Mendoza, Argentina and Justin is expat from Indiana who got bit by the wine bug and started a family in Chile.
