Yield: 2.2 tons / acre
Stem Inclusion: Whole Cluster Co-Fermentation
Yeast: Native
Winemaker: SuperUco
Élevage: 18 Months in new Taransaud French 225 Barrels
Lees Contact:
Filtration Method: Unfiltered and Unfined
Maceration / Fermentation: Fermented in 500L Oak Roller Fermenters
UPC Code: 813495011419

The Michelini brothers, also winemakers at Mendoza's renowned Zorzal and Passionate wineries, planted and built their biodynamic winery in the Los Chacayes subregion of the Uco Valley in Argentina in 2012. SuperUco was originally inspired with the intent to showcase three unique calcareous soil types from some of the most highly regarded subregions of the Uco Valley. They produce wines under the Calcareo and SuperUco labels. The dodecahedron shaped winery consists of egg-shaped concrete amphoras, foudres, barrels, and concrete eggs. The two hectare farm is planted in concentric circles so that the vines have 360 degrees of exposure to the sun. The different varieties are planted from the center outward, as its vegetative cycle dictates. This boutique, biodynamic winery produces very limited bottlings of top quality, terroir driven wines.
