

Ver Sacrum Geisha Dragon del Desierto 2021

This is a co-fermented blend of mostly Viognier with Marsanne and Criolla Blanca. About 10% of the blend is matured in oak under a veil of flor. The nose shows fresh cut white flowers with lemon, dried apricot, and a touch of fresh baked bread. The palate is crisp with white peach, wax bean, and hints of almond paste from the inside of a croissant. Delicious.

Eduardo Soler and two friends started Ver Sacrum in 2012 with the concept of growing and vinifying Rhone Varietals. Their winemaking ethos focuses on fresh, low alcohol, lighter skin contact, native yeast, honest, and easy drinking wines. All grapes are hand harvested and most are foot crushed as they believe in minimum intervention in the vineyards and winery with no corrections, filtration, or pump overs. They currently make wine from two different vineyards in Barrancas, Maipu and Los Chacayes, Uco valley where they have planted Grenache, Monastrell, Carignan, Roussane, Marsanne, Mencia, Syrah, Teroldego, and Nebbiolo. Eduardo is an avid mountaineer who has climbed multiple famous peaks and worked ski patrol in Aspen and Mendoza for many years. He currently manages a small ski resort 2 hours outside of Mendoza. Eduardo came into wine after returning to Mendoza and befriended some of the more adventurous growers who desired to explore the potential of alternative varietals. "When the old sent their young to found new villages, bringing grape vines to start new vineyards, they gave off by a ceremony called the sacred spring or Ver Sacrum. Since then, the Ver Sacrum
